Volleyball Team Captain – School and Club (Nov 2017-May 2021)

Kingston Collegiate Vocational Institute, Kingston Secondary School, Kingston Rock Volleyball Club

- Captained numerous club teams to successful positions, including a 4th place finish in Ontario for AAA schools
- Demonstrated ability to bring out the best from my teammates in the utmost respectful manner, by being able to communicate uniquely individuals to allow them to fulfill their potential
- Demonstrated positive leadership skills, even in the face of adversity

Math Tutor (Sept 2017-Sept 2018)

- Organized sessions and planned lessons
- Taught important math concepts, and how to think through complex problems
- Introduced them to tricky logic problems and cool math tricks, demonstrating an enjoyable side of math
- Created an easy-going, and engaging environment

Executive Athletic Positions (Sept 2017-Nov 2021)

- Head refereed numerous middle-school volleyball tournaments, ensuring games were officiated properly and with a high degree of care
- Accurately operated stopwatch for time keeping competitive swim meets
- Score kept high school volleyball games, involving professionally communicating with coaches and officially licensed referees regarding important season logistics
- Worked with a large team in the planning of 2021 AAA Boys' OFSAA, where I was lead designer of 2021 OFSAA pamphlet
